0 of 0 review helpful Metro lines and stations not clearly marked By A Kashdan The bright side is the durable material this map is made from which guarantees no wrinkles and easy folding However when it comes to the information presented then I was disappointed After my visit to DC it was obvious to me that the Metro stations and Metro lines are not clearly shown Also the map does not show the route and stops of Out of towners can travel with confidence when using Slicker maps Easy to handle and easy to read Slickers fold and unfold in a flash Slickers are laminated which makes them markable and very durable withstanding everyday usage during any travel itinerary you plan This city slicker shows a metropolitan Washington D C roads map and includes parks recreation colleges universities fire police stations subways stations libraries marinas post offices points
