1 of 3 review helpful Washington DC Metro Map Book don t expect Maryland By Just another reader I was very disappointed after purchasing this street map book Apparently majority of Montgomery County isn t considered Metro Washington DC Don t expect to see any streets north of Bethesda White Flint Rockville etc are all missing This definitely isn t a map street finder for someone living in the MD suburbs Handy pocket sized atlas with street level detail showing ZIP Codes block numbers schools hospitals points of interest shopping centers airports parks and more Fully indexed Includes Falls Church Silver Spring and the city of Alexandria
