By Anne H. Oman : 25 Bicycle Tours in and Around Washington D.C.: From the Capitol Steps to Country Roads

its been a great week for terrorists the week that began aug 12 with the deadly car ramming in charlottesville virginia moved on to see more violence in europe your source for local news sports high school sports and weather in and around jefferson city columbia fulton and the lake of the ozarks all of mid missouri 25 Bicycle Tours in and Around Washington D.C.: From the Capitol Steps to Country Roads:

1 of 1 review helpful Very specific step by step guide By Matt H Evans After riding on the same trails such as Rock Creek and WO D it was nice to find this book and discover some new biking routes in the greater Washington D C area The book does a nice job of mixing it up some rides cover bike trails while others cover light traveled roads in rural settings The one thing that I really liked about this book was how Washington D C is blessed with an historic heritage and gentle terrain and is also graced with a wide ranging and accessible network of bike trails The tours in this guide range from seven to 70 miles and offer something for cyclists of every ability and taste Should be on every enthusiast s shelf Oman combines an intimate knowledge of the territory with the really precise directions you get only from an authority Roll Call About the Author Anne Oman has worke
