0 of 0 review helpful Mostly recollections with some best selling recipes By Faye L Bowring The title says it all recollections of real people real food and some of the diners favorite recipes I enjoy recollection cookbooks and A1 Diner presents recollections of its several owners employees and customers since its beginning in 1946 If you are interested in a diner cookbook chock full of food recipe n 1946 Worcester Diner 790 arrived by truck and was installed at 3 Bridge Street in Gardiner Maine Under the name of Heald s Diner it served employees of Gardiner s mills and factories with an emphasis on ample portions served quickly The diner is still at 3 Bridge Street still a marvel of efficiency and art moderne design still a local gathering place still serving the same warm flaky biscuits But under the ownership of Mike Giberson an ldquo In our travels across the country we have eaten in some of the best restaurants but when we yearn for a taste of New England we seek out diners like the A1 At A1 Diner you ll be comforted with delicious and homey dishes like New England Boiled Dinner
