**By Julie Shively : The Ideals Guide to Places of the American Revolution** a list of internet resources useful to the study of the french revolution and its subsequent impact on 19th century european history a summary of american political ideals in s american political culture learn exactly what happened in this chapter scene or section of american political The Ideals Guide to Places of the American Revolution:

10 of 10 review helpful Comprehensive guide to Revolutionary War sites By Todd Post This book is very nicely done

both in content and in execution The list of sites are very comprehensive and include states and locations which many Americans may not associate with the American Revolution such as Maine and Tennessee They could have done more with the Gulf Coast the war was also waged in Florida Alabama and Louisiana The Ideals Guide to Places of the American Revolution captures a significant period in American History This book features expert research and writing that guide both the casual reader and the Revolutionary War enthusiast to hundreds of sites found throughout the Eastern United States Major battles are outlined with Colonial and British commanders quotes given by the commanders strength of forces and number of casualties listed Battlegrounds cemeteries m
