6 of 6 review helpful The best guide for any city By ihearthayden523 I was in DC for business for several weeks and I took this book with me everywhere It s a must for people who are not interested in all of the tourist hot spots and really want to see what DC has to offer This is my second eat shop book and I have never been disapointed by any of the shops or eateries It will be the best travel guide you ll ever buy With a modern layout and luscious photographs these city specific guides unearth distinctive locally owned and operated eating and shopping destinations Designed for both locals and tourists these indispensable tools feature listings to more than 90 spectacularly original businesses that encapsulate the core character of each given city Ideally sized for backpacks or purses each guide also features easy to read maps and hotel suggestions What makes these guides stand out is their outstanding and wide ranging collection of

shops and restaurants nbsp nbsp mdash The Boston Globe
