7 of 7 review helpful New to DC By R Lariviere I just moved down to DC and this book has been incredibly helpful When I initially decided to move down I purchased Mike Livingstone's Newcomer's Handbook which was incredibly helpful as it gave in depth descriptions of the neighborhoods an invaluable resource in deciding where to live but the book lacked good maps to navigate by NFT features great maps of the neighborhoods Not For Tourists Guide to Washington DC features clear easy to read maps and graphics covering areas such as Downtown the Greater District Maryland NoVA North and NoVA South This NFT Guide is perfect for residents who want to take advantage of the wealth of local services and resources around them Inside this guide you'll find Neighborhood maps dotted with graphical locator icons Listings of key services restaurants shops schools entertainment venues
