0 of 0 review helpful Symbols for Full and New Moon Switched By lee77 I don t know who is now in charge of producing these calendars but he she needs a lesson in astronomy specially the symbols for phases of the moon On this calendar the symbol for the new moon is used to indicate the full moon and vice versa The new moon symbol is a solid black circle the full moon symbol is a white circle One would think even if a Down East knows Maine inside and out The wall calendar for 2016 perfectly captures the mystique and beauty of the state Displaying the work of the best photographers who visit or live here this calendar reminds you of your favorite place every day of the year Tide tables moon phases and important holidays are also included
