1 of 1 review helpful 19th Century Adventure By Craig J Wince The story of a sailing trip off the coast of New England in the 19th century as told by a known author of the time This is a day to day journal of life aboard a schooner in a simpler yet at times more complicated time A great read and certainly one for the fan of old wooden craft such as the proud schooners of the 1800 s Book by Carter Robert Ford Daniel
