0 of 0 review helpful Interesting facts about my hometown By Janice R Swenson I not only enjoyed this book from beginning to end I also bought it for Christmas presents There were so many interesting facts I didn t know about

Andover and in particular about Shawsheen where I lived as a child There were several people in the book that I know so that made it fun too Thanks to the authors for their thoughtful considera When Samuel F Smith wrote the lyrics to "America" in 1832 he said he was inspired by Andover's beauty which is reflected in his second stanza "I love thy rocks and rills Thy woods and templed hills" Conservationists such as Alice Buck and Harold Rafton have kept Andover beautiful and innumerable others made Andover a unique and extraordinary town From Martha Carrier defying her accusers to the moment of execution to all the townspeople About the Author Bill Dalton is a former town moderator and selectman and he is a longtime columnist for the Andover Townsman Katharine Dalton is a grant writer and former executive director of the Autism Foundation of Georgia
