2 of 2 review helpful This Book Is A Find By Red Top Essex Coastal Byway Guide is a fascinating and well written guide covering the towns from Lynn to Newburyport along Boston's North Shore. Since we are familiar with many of these towns my wife and I did not expect to be so pleasantly surprised with the abundance of interesting information about the area. This book is a very enjoyable read for the arm chair traveller. The Essex Coastal Scenic Byway links thirteen Massachusetts cities and towns on the Atlantic Ocean from Salem to Gloucester to Newburyport. Veteran North Shore journalist Joel Brown gives you an insider's tour of the historic homes and busy harbors, rocky shores and cultural treasures of this unique region. About the Author: Joel Brown has been a correspondent for the Boston Globe since 2005 while writing for many other publications and websites. Previously he was a reporter or editor for the Boston Herald, the Daily Southtown Electronic Media and the Recorder. H
