Washington Schlepped Here: Walking in the Nation's Capital (Crown Journeys):

0 of 0 review helpful Great Info Fun to Read By Sarah318 I m currently planning a trip to DC this winter and this book was recommended to me as a must read for anyone going to DC or who just likes trivia or off beat history The book is full of walking tours centered around the mall map included I don t know that I ll retrace Christopher Buckley s steps but the information he gave will certainly make my visit mor The father of our country slept with Martha but schlepped in the District Now in the great man rsquo s footsteps comes humorist and twenty year Washington resident Christopher Buckley with the real story of the city rsquo s founding Well not really We rsquo re just trying to get you to buy the book But we can say with justification that there rsquo s never been a more enjoyable funny and informative tour guide to the city than Buckley His delight as he points ou From Publishers Weekly Buckley No Way to Treat a First Lady presents an engaging introduction to the highlights of monumental Washington in this collection of walking tours While some readers might have appreciated a stroll through some of the capital s less
