1 of 1 review helpful Have seen better and expected better By John The photos were okay bur I had expected photos of our outdoor features such as Mt Hood the ocean beaches Thee Sisters ares the high desert eastern and southern Oregon I bought them as gifts for my Australian and New Zealand hosts so they could see all the wonders of Oregon and was somewhat disappointed that there were too many photos of city stuff 0 The diversity of ocean beaches and high desert majestic mountains and lush valleys and of course the scenic Columbia River Gorge are what makes Oregon both unique and beloved Rich nbsp Schafer s magnificent images convey familiar scenes and evocative places from all across the Beaver State including the undulating wheat fields of Central Oregon the crystalline blue waters of Crater Lake National Park colorful expanses of wildflowers in the Cascade Range About the Author Professional photographer Rick Schafer studied under the late Photographer Laureate of Oregon Ray Atkeson for twelve years He

has built on that experience to develop a photographic style all his own
