By George Wuerthner : Oregon's Best Wildflower Hikes: Northwest Region oregon adventures public site trips are numbered from 1 to 100 choose a region to explore few places in the us are more prized by the avid recreationist than the pacific northwest Oregon's Best Wildflower Hikes: Northwest Region:

2 of 2 review helpful Very good book By C Roberts I bought this book and its companion Washington guide at the same time and have not been disappointed by either The layout of the two books is similar and have all the info necessary to get to the trailhead follow the trail and enjoy the hikes The maps are good and easy to follow although elevation contours are not shown The photography in the Oregon gui Through full color photographs easy to use maps and detailed trail descriptions Oregon s Best Wildflower Hikes Northwest Region takes the guesswork out of identifying the wildflowers that fill this beautiful section of the state The book includes 49 day hikes chosen for their optimal blooming potential and all destination are accessible from Portland Eugene or any major Willamette Valley community in three hours driving time or less Northwest Oregon s coastal S About the Author George Wuerthner is an accomplished ecologist writer and photographer who has published 23 books
