0 of 1 review helpful Great if you have the money for fine dining By B I I love Zagat I think it's a great system aggregated reviews not expert reviews and I'm glad it exists to keep restaurants honest My copy is already beat up and torn as it's just flimsy paper I like the stickers that come inside it like Must Try or Love it that you can attach to any listing like a bookmark The pleth Washington DC Baltimore Restaurants covers over 1 100 restaurants in Washington Baltimore Annapolis the Eastern Shore and Northern Virginia You'll find trusted ratings and reviews based on the opinions of over 6 700 avid restaurant goers The trademark reviews and corresponding ratings for Food & Service and Cost are organized alphabetically in a user friendly format
