4 of 4 review helpful Excellent By Craig Danner What makes Van Tilburg's latest guidebook so good has a lot to do with why Van Tilburg was the perfect person to write it. He's not only an expert skier and snowboarder but he's also an expert mountaineer, canyoneer and wilderness medicine physician. When he guides you on these classic descents you are in good hands. He not only shows you the best places to go but make Discover the best places to go in the Oregon Cascades for backcountry skiing and snowboarding. In his new guide Christopher Van Tilburg explores ungroomed powdery slopes and pristine wilderness descents with more than half the routes described for intermediate level backcountry skiers. The 60 routes here feature overall difficulty ratings, elevation and terrain, estimated skiing times, USGS topographical maps, skill levels required and much more. Van Tilburg includes About the Author, Christopher Van Tilburg M.D. specializes in wilderness medicine and is the author of three guidebooks including a how to guide on backcountry snow boarding. He makes his home in the Columbia Gorge.
