By Kristina Lindborg : A Natural History of Boston's North Shore the role of history of boston massachusetts in the history of the united states of america bostons history recalls revolution and transformation and still today it is among the countrys most forward thinking and barrier breaking cities A Natural History of Boston's North Shore:

0 of 0 review helpful A Great Introduction to the Area By Dan GR I picked up this book not knowing entirely what to expect The title to me seemed just like one of the current trend of very specific scientific titles for novels However the book is exactly what it purports to be a guide to the natural history of Cape Ann and the surrounding area I found the book to be very well written and certainly accessible by reade This charming guide to the North Shore of Massachusetts will delight and inform tourists and longtime residents and is an introduction to the natural history of Essex Country the region rsquo s unique geological history and the formation of such notable sites as the Great Marsh Crane Beach and Plum Island s renowned bird sanctuary In addition readers will learn about the Paleolithic inhabitants of Bull Brook and how a modern fisherman caught a mastodon tooth in his ldquo This guide delights and informs tourists and long time residents on the natural history of Essex County rdquo mdash Abstracts of Public Administration Development and Environment
