animal download theses mercredi 10 juin 2015 Basking with Humpbacks: Tracking Threatened Marine Life in New England Waters:

Basking with Humpbacks offers an exciting close up look at some of the most rare marine creatures living in New England waters and examines the complex threats they face. In eleven chapters each featuring a different animal or plant, McLeish takes readers on an entertaining journey with scientists who study these species. The author follows basking sharks — the second largest fish in the sea — in their hunt for food, helps harbor porpoises escape from fishing nets, and
