By Shawn Granton : The Zinester's Guide to Portland: A Low/No Budget Guide to The Rose City (People's Guide) The Zinester's Guide to Portland: A Low/No Budget Guide to The Rose City (People's Guide):

0 of 0 review helpful Great guidebook tells it like it is By Briana Barrett This book helped to make my visit to Portland awesome Lots of stuff in here that is not the typical tourist stuff Designed and written for the DIY inclined person without any cash to spare the Zinester's Guide to Portland breaks down the PDX grid by neighborhood with descriptions of good restaurants thrift stores bars bridges places to loiter etc lots of etc The newly overhauled and

illustrated sixth edition gets shoulder deep into the history and local lore providing a well rounded argument as to why fill in the blank deserves your time It also dem Feels like a classic profiles genuine gems and secret neighborhood spots Portland Mercury What's best about the book is its utility and unpretentiousness It's written by and for people who ride their bikes and take Tri Met and don't have a lot
