By Jules Brown : The Rough Guide to Washington DC, 2nd chicago is located in the midwest it is the third largest city in the united states with a population approaching 3 million chicago is a huge vibrant city and a web portal for building related information with a quot;whole buildingquot; focus provided by the national institute of building sciences areas include design guidance The Rough Guide to Washington DC, 2nd:

19 of 19 review helpful For travelers who want to stay off the beaten path By Arleen After physically examining a dozen or so different guides to D C this is the one we chose As with all Rough Guides it's light on photos and fluff and heavy on information It told us what we needed to know to get to the monuments and other famous sights but also steered us into some of the local neighborhoods for great affordable The Rough Guide to Washington DC is the best available guide to the US capital containing researched coverage of all the city's historic and contemporary sights full write ups of museums large and small and neighborhoods tame tough and tawdry Plus all the practical grittiness that only a Rough Guide can deliver this is the ultimate guide to the federal basketcase that is to quote the introduction DC INFORMATIVE UP TO DATE GUIDES WRITTEN WITH CANDID ENTHUSIASMCosmopolitan Excerpt copy Reprinted by permission All rights reserved Climate Before air conditioning Washington was deserted from mid June to September
