(Lonely Planet City Maps):

6 of 6 review helpful This was the only map I needed By A Customer This was the only map I took on my last trip to Washington and it was all I needed It was most helpful simply because it showed where all of the major sites are and it had a separate map which focused on and around the Mall Unlike most maps this one is durable and waterproof luckily because it happened to rain one of the days I was there This map wa This map offers a complete index of streets and sights colour coded tourist attractions entertainment top end hotel landmarks parks shopping areas and markets to Washington D C It also offers listing of medical to transportation information
