By C. J. Stevens : Maine Mining Adventures dig for the world renowned gems and minerals of western maine at bethel outdoor adventure we sell 10 buckets of material gathered from several local mines maine mining adventures c j stevens on amazon free shipping on qualifying offers a mother lode of tourmaline on a mountain in newry a billion dollar Maine Mining Adventures:

0 of 0 review helpful Book on Gems Minerals in state of Maine By Rose M Robinson This was a gift for my husband He thought it was one of the best books about gems and minerals in Maine that he had ever read He found it very informative and enlightening also easy to read considering the subject matter could be quite dry The size of the book was conveniently small enough so he could carry it around on his adventures H A mother lode of tourmaline on a mountain in Newry a billion dollar discover of copper and zinc in Aroostook County and mammoth pockets of amethyst in Stow are only a few of these Maine Mining Adventures For the beginner there are easy to follow instructions on how and where to find minerals and gold Many locations are listed and seasoned miners generously give advice and guidance Stevens captures the drama of some of the best of these finds with a polished and perceptive writing style His interviews with the miners gem cutters artisans and collectors who make up the gem scene make you feel as if you re right at their workbench k
