By Steve Hickoff, Rhey Plumley : Flyfisher's Guide to Northern New England: Vermont, New Hampshire, and Maine (The Wilderness Adventures Flyfisher's Guide Series) Flyfisher's Guide to Northern New England: Vermont, New Hampshire, and Maine (The Wilderness Adventures Flyfisher's Guide Series):

0 of 0 review helpful Pretty good book Needs some updating By Billy Hoysgaard Overall this seems to be a pretty good book It provides plenty of information on the rivers covered in the book where to access the river what parts hold the most fish etc My problem is that it references 1996 constantly I haven t actually checked when it was published but I m guessing it was 1996 I m sure some updating is in order This is the best book on flyfishing in New England bar none Whether your target is landlocked or migratory Atlantic salmon striped or smallmouth bass brook trout or even rainbow and brown trout this book should be included in your travel bag The authors lead you through a detailed description of all major waters in Vermont New Hampshire and Maine Content includes timing of seasonal trout bass and salmon runs suggested flies site specific maps and area hatch About the Author Rhey Plumley manages the Classic Outfitters a large fishing and tackle shop in northern Vermont Steve Hickoff is a freelance writer lecturer and columnist with many articles to his credit He lives in southern Maine
