9 of 10 review helpful Big disappointment By A Customer This book was a big disappointment I returned my copy It has just one or two paragraphs each about hundreds of attractions Broad and shallow No information that is particularly useful to parents If you're a AAA member you'd be better off with their tour book which is free to boot Washington D C is home to the largest collection of free museums in the world as well as one of the country's finest zoos making it a great destination for families This guide to the United States' capitol provides in depth information on the monuments of the National Mall and the museums of the Smithsonian including the National Air and Space Museum allowing families to plan a visit that best suits their interests and time schedule Included are easy routes to help About the Author Judith Mahoney Pasternak is the author of A Parent's Guide to New York City and Timeless Places Paris She lives in New York City Adam Lass is managing editor of Penny Stock Fortunes He lives in Brookeville Maryland
