1 of 1 review helpful Excellent Map Customer Service to Match By Customer I purchased this map for an upcoming trip to DC The map itself is very easy to read and to quickly find attractions as the color and contrast are much better than other DC maps I looked at I especially like the fact that the 3D map of the Mall area is found both on the main map but also located on the back flap of the map when folded – VanDam's award winning 2017 Washington DC StreetSmart maps all top attractions including museums major architecture hotels monuments federal buildings and shopping destinations all at an immensely legible super scale of 1:16,000 complete with 3D building illustrations Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection The Washington DC StreetSmart includes a stunning *di A Connoisseur's Map* USA Today For savvy travelers Playboy Magazine The Map The New York Times For savvy travelers Travel Leisure Magazine The WDC Map The New York Times
