0 of 0 review helpful Washington DC By D Larocca As a native Washingtonian I would recommend this map to any visitor to the nation's capital. It is an excellent way to acquaint children with George Washington before a trip to DC. I used it to begin a discussion with my children about all they would see and to help them understand some of the history of the city. And for me it is a reminder of how lucky I am to be born. This sexy laminated city map package refolds easily to 4 x 9.32 x 9 open and snuggly fits into your pocket. Buy this map to gain instant Sydney StreetSmarts.
