1 of 1 review helpful Good book if you are trying to get to know the area By Christine R Since my boyfriend and I were new to the area we got this book to help us get to know the area hikes It is a good book for helping choose hikes We love the waterfall hikes A great feature of the book is that the maps in it show different trail systems that link together which the trail maps at the locations don't always show This Historic grounds mountain terrain beachside and waterfalls surround Washington D C Because of the stunning scenery around the city hiking in Washington D C is more than a trek around town Travel writer Theresa Blackinton shows you the best hikes in and around Washington in the area All hikes within the guide take less than 2 hours to reach by car with details on public transportation options and clear directions on how to reach the trailhead Blackint
