3 of 3 review helpful Fairly Good By K Deegan I found this book to be relatively helpful in my travels It covers a wide area including Washington Oregon and western Canada It also touches a little bit on pretty much anywhere you might want to visit The downside I found was that it isn't very detailed Because it covers such a wide area it doesn't get into too much detail on any one place In light of this I w The brand new Let's Go Pacific Northwest Adventure Guide is your must have companion to the great outdoors of Washington Oregon and parts of British Columbia and Alberta With fresh coverage of Waterton Glacier International Peace Park the Puget Sound islands and Washington's Methow and Yakima Valleys Let's Go is the best and freshest guide to the Pacific Northwest for travelers and natives alike Let's Go's forty five years of practical savvy inform th For independent travelers on a budget with an emphasis on whatever's hip fun or free Associated Press Guides that penetrate the veneer of holiday brochures and mine the grit of real life The Economist
